The Aims of
Albany Regional Family
History Society are to promote and
encourage participation in
Genealogy and Family History Research.

Our volunteers provide support
in where to start with research,
including pedigree & family group charts,
record keeping and information on where
sources can be found.

We continue to develop and conduct
a Genealogy and Family History Library,
hold committee & general meetings
and social and promotional activities
for the benefit of members
and other interested people.

We are affiliated with the
West Australian Genealogical Society,
FamilyHistoryWA

Meetings are held monthly
followed by research support
(except December and January)
