The Aims of  
Albany Regional Family  
History Society are to promote and  
encourage participation in  
Genealogy and Family History Research.

Our volunteers provide support  
in where to start with research,  
including pedigree & family group charts,  
record keeping and information on where  
sources can be found.

We continue to develop and conduct  
a Genealogy and Family History Library,  
hold committee & general meetings  
along with social and promotional activities  
for the benefit of members  
and other interested people.

Meetings are held monthly  
followed by research discussion & support  
(except December and January)
