**PAYMENT:** Research can be complex, so it is not possible to give an exact quote at the outset. Depending on the amount of information you are able to supply and the nature of your request, we will have a better idea after beginning the search. However, it is necessary to send an advance payment of \$20 with your request, which covers an hour's research. If, after commencement, the costs are likely to exceed \$20, we will continue only with your approval.

Payment may be made by BSB or Cheque to Albany Regional Family History Society and posted to:
